

Strengthening Middle Leadership

Zoe Woolley

Headmistress

Jeddah Prep and Grammar
School

Managing or Leading?

What is the difference?

Know the direction of your department

Different styles of leadership

Learn from great leaders

Relationships and boundaries

Creating a positive ethos

The whole school ethos

Supporting the whole school vision and school improvement

Identifying areas of strength in your department

Prioritising Teaching and Learning

Disclosure and confidentiality

Data Impacted Teaching

What data are we using?

Do we understand the data?

Looking for patterns and trends

How are you using the data to drive pupil achievement?

Data impacted planning including intervention

Measuring the impact

Housekeeping

School data base

Minutes to meetings

Day to day administration

Time management

Meetings with parents

Building a Team

Own your team

Communication Skills around the table

How does your team work?

Feedback to your team

What about you?

How do you keep your leadership fresh and current?

What is your leadership journey?

How are you improving your practice?

What skills do you need for your next ?
