

Ambassador Program Terms & Conditions

Emkan Education offers ambassadors (“Referrer” or “You”) the opportunity to participate in its ambassador program (the “Program”). We reserve the right to amend or terminate the Program at any time, for any reason.

Referrers are bound by these Terms and Conditions by participating in the Program. By participating in the Program, Referrers agree to use the Program in the manner specified in these Terms and Conditions. If you do not agree to these Terms and Conditions in their entirety, you are not authorized to register as a Referrer or to participate in the Program in any other manner.

I. How the Program Works

A. Program Participation

- Sign up to become an ambassador by filling out and submitting the [Ambassador Registration Form](#)
- Upon approval, each ambassador will then be provided with a unique code by email.
- The ambassador will refer a candidate to register with Emkan by using the unique code through Emkan registration portal ([link](#))
- Ambassador will be able to collect and redeem points based on candidates using their code for registration.

B. Eligible Referrer

- Open for all Emkan loyal partners

C. Earning Rewards

- This program uses the referral point system based on confirmed registration for Cambridge subjects during May/June and Oct/Nov sessions.
- For each subject registration made by the referee of the ambassador, the ambassador will receive points (the amount of points earned depends on the subject level and number of subjects the referee registered for)

Subject	Points per Subject*
IGCSE	500
AS	700
A level	1000

* every 500 points = 50 SAR (in Glee wallet)

- Ambassador will receive an email with the total number of points earned from the referrals
- Ambassador will receive the rewards of the points collected by the end of the registration periods (last week of February and last week of September)
- Redemption period of the rewards is until the end of the year (every December)

- The ambassador is allowed to keep their collected points from the first registration period (from June session to November session) until the second registration period if they would like to earn more points by more referrals
- However, the latest date for reward redemption is the end of that year (December 25th of that year)
- The points will be redeemed as an amount in the ambassador's wallet on Glee (link) (more details will be provided by email)

II. Liability:

A. Emkan shall not be liable for:

- Claims, demands, and damages in disputes among Referrers or between Referrers and Friends; or
- Any other losses or damages of any kind resulting from acceptance, possession or use of a reward, or from participation in the Program, that were not reasonably foreseeable to Emkan at the relevant time.

We reserve the right to modify or amend at any time these Terms and Conditions and/or the methods through which rewards are earned. We reserve the right to disqualify any Referrers from participation in the Program at any time at our sole discretion, including without limitation if he/she does not comply with any of these Terms and Conditions.
